

PROFITAPE - the self-adhesive precise patching make-ready tape with colour coding for the three thicknesses available, for precise cutting & foil embossing on your cutting and creasing press.

- Super translucent for easy line identification.
- Extreme hardness for high runs & repeat orders.
- Self Adhesive - no moistening necessary.
- Precise sticking to all usual patching sheets.
- No release from patching sheet.
- Four different widths.

Colour	Width x Thickness x Length	Rolls per pack
Blue	3mm x 30 micron x 35m	40
Blue	6mm x 30 micron x 35m	25
Red	3mm x 50 micron x 25m	40
Red	6mm x 50 micron x 25m	25
Yellow	3mm x 80 micron x 18m	40
Yellow	6mm x 80 micron x 18m	25

12mm and 20mm width are available on request
